## **Competition Details:**

Three players from each team required for each fixture. (Teams are encouraged to name four or more players in their squads).

Each team will name a team captain who is responsible for organising their squad for each night.

Teams will have two fixtures each night. One at 7.00pm and one at 8.30pm

A maximum of six teams can participate due to hall space.

If more than six teams enter, the team/s with the lowest average rating from their top three players will miss out.

Players in these teams will then go enter a pool where teams can pick these players if they are short for a particular night

Format that will be used is based on the new team's format which will be used at national team tournaments this year.

Contest 1	A	X
Contest 2	B	Y
Contest 3	C & A or B	Z & X or Y
Contest 4	A or B	Z
Contest 5	C	X or Y

The winning team will be the team that accumulates the most points after 10 rounds.

Points will be awarded as follows.

2 for a team win

0 for a team loss

In the event of a tie, the results between the tied teams will be taken into account to decide the winner. If that is still equal, then it will go on matches won overall and then games won overall.
